Are you still install the film like this ?

**Ready for the latest best screen  
install machine ever ?**

# Sondata's Universal Screen Applicator

# Why Sondata's Universal Screen Applicator ?

Set yourself apart from online resellers

Improve customer reviews

70% of product reviews are based on users own screen protector installation experience.

**Boost revenue**

Grow your screen applicator business  
and generate more revenue

**Add value**

Add VALUE into your screen  
protector offering

**Develop markets**

Allows you to wedge your foot  
into other retail market segments  
such as cell phone carriers.

# Versatility

1

Specifically designed for retail deployment

2

Easy to operate, takes 30 seconds to perfectly install a screen protector.

3

We can OEM the same glass you are already selling and make a compatible version for the screen applicator.

4

We can also ODM the screen applicator with your logo so that it fits perfectly in your range of screen protectors.

# Economics

1

Helps build VALUE in your screen protector offering

2

Let's you create a business model around your screen protectors

3

Your retailers can only get the screen protectors from you

4

Machine compatible screen protectors do NOT need retail packaging, this saves you a lot of money thus boosting on profits and saving shipping costs!

5

Allows you to create incentive programs in your screen applicator ecosystem in order to encourage staff to pitch your products. This way you will have hundreds of retailers pushing your product to customers.
